Stronger ideas for a sustainable world

# FibaTape® Veneer Plaster

FibaTape® Veneer plaster tape is an innovative solution designed for ease of use and long-term performance. The veneer plaster tape is wider to achieve a superior finish. Veneer plaster tape works with a variety of custom plaster finishes from ultra-smooth to custom textures.

## FibaTape Veneer Tape Performance Features

- **Compatible** – Ideal for use with blue plasterboard
- **Seamless joints** – Achieve a superior finish with a variety of textures
- **Increased strength**– Tough fiberglass mesh increases joint strength and structural integrity
- **Self-adhesive** – Save time and money with no embedding coat needed
- **Smooth finish** – Eliminates blisters and bubbles commonly found with paper tape
