

FibaTape[®] Extra Strength

Multidirectional Reinforced Drywall Tape

Patent# 8,795,808

- Provides multidirectional strength for reinforcing joints
- Offers better gap coverage and more tack
- Designed for the most demanding jobs

MADE IN THE
USA 

Stronger ideas for a sustainable world

FibaTape® Extra Strength

For demanding jobs like vaulted ceilings, arches, hallways and veneer plaster, you need a product that's easy to use and offers long-term performance.

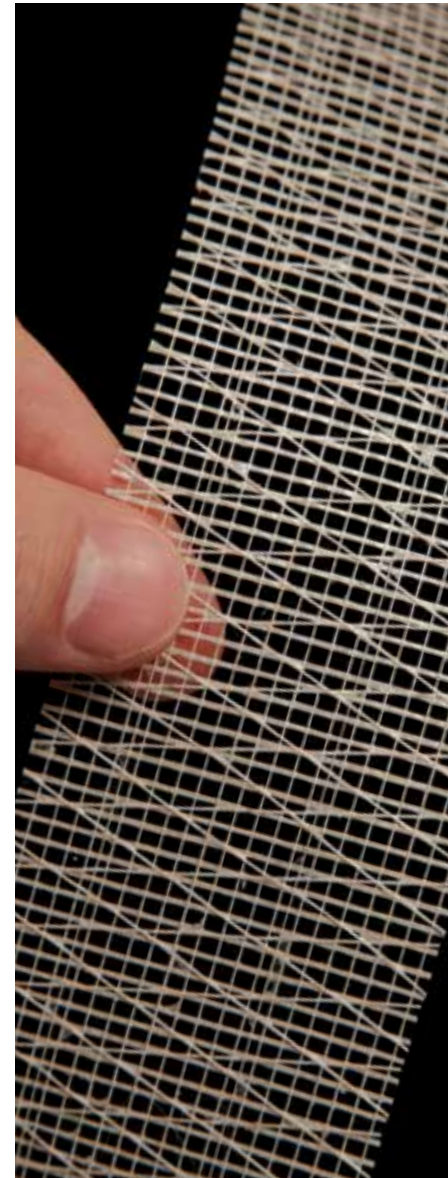

FibaTape Extra Strength Performance Features

- **Patented multidirectional pattern** - Additional fiberglass and extra adhesive help offset lateral movement in a crack, increasing joint strength and structural integrity
- **Increased strength** – 60% stronger than standard mesh
- **Wider** – Better gap coverage and stress distribution
- **Extra tack** – High performance adhesive to achieve maximum hold
- **Smooth finish** – Eliminates blisters and bubbles commonly found with paper tape
- **Self-adhesive** – Easy application to joint surface prior to finishing
